

First Thing In The Morning

First thing in the morning, what do you do?

Jump, jump, jump

Jump out of bed

Next you're in the bathroom, what do you do?

Wash, wash, wash, wash your face

Then go to the kitchen, what do you do?

Eat, eat, eat, eat your breakfast

After you have eaten, what do you do?

Brush, brush, brush, brush your teeth

Finally you're ready, what do you do?

walk, walk, walk, walk to school
