

Songo, Songo

Songo, Songo, sing us a song
Songo, Songo, we'll sing along
Words for stories, words to share
Words to help and show we care
Speaking, listening, we'll get along
Helping us to learn by singing a song

Songo is the name of the character used for the I Am Here!! programme.

You can encourage the children to sing this song for Songo, and talk about how he likes to listen to people singing.

Songo can be used as a focus for singing activities by asking children to suggest a song that Songo might like to hear.
